“ Loved Uncle Gerald so much...
Was my neighbor from childhood until I moved to Lexington ...
He was so very good to me and my kids...
He was always there for them...
Doing things with them..
Made sure my kids had snacks every day...
Running joke always tried to say who made the best soup him or aunt vernelle...
He will be missed so much...

“ I haven't said anything until now but next to my papaw this was one of the greatest men in this world this man taught me the difference in right and wrong taught me how people needed to be treated taught me the meaning of work that if you wanted something in life you had to work for it this man stepped in my life not because he had to because he wanted to and made sure me and my family had food to eat I wouldn't trade all the tractor rides for anything in this world all the conversations we had just sitting out in that old porch swing just talking about everything I always called him uncle but in reality he was more like a grandfather I say this with a heavy heart I love you and miss you I will never forget the man you was and didn't have to be but chose to anyway
