“ Greg was always very nice to me. He made me laugh and had never had anything but kind words. Over the years, whenever he would cross my mind, I'd end up smiling at my memories of him. Greg's family and loved ones are in my prayers. He was a good man, and I will always think of him and smile. As long as I have my memories of Greg he will never be gone from my heart.

“ This candle is for you Greg. Those we love don't go away, they walk beside us everyday. Unseen, unheard but always near, still loved, still missed, and held so dear. Rest In Peace my friend.

“ I remember back in 2015 a big group of us took a cruise to the Caribbean... When we got to Belize Greg, Belinda, myself and another gentleman (I can't remember his name) took the tender shuttle over to Belize... When we got there Belinda and I wandered off on our own and the other gentleman took Greg on a private helicopter ride overlooking all of Belize... When we got back to the ship that night our group all met for dinner... Greg was so excited that he was telling everybody about how much fun he had and what a wonderful experience it was...I will never forget the happy look on his face that evening... My husband and I feel very honored that we were able to consider Greg our friend... Until we meet again soar high with those angels Greg...you will be sorely missed here on Earth... Love you...
