“ I am very sorry for the recent loss of your loved one, Alan Wayne Clenney. I have a brief encouraging message that I would like to share with you from God's Word, the Bible. The Bible can be a great source of both comfort & hope during this most difficult time in your lives. For an example, at Revelation 21:3-5 it assures us that the day is soon coming when our most loving Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and that even pain & death will be no more. I hope after reading this it will be of some comfort to each one of you. If later you would like to learn more from the Bible about why we die or why does a loving God allow so much suffering & injustice please feel free to go to the website: www.jw.org to find satisfying answers

DO

Some people live a larger life, and no matter how long or how short, they take whatever time they have and live life for all it is worth, spreading love, laughter, joy, hope everywhere there feet take them. They laugh a little louder, care a little more and show through their life what life is for.

And although we will miss there absence, what a difference they made in this life.

The quality of one's life is not by its duration but by it's donation. ___ corrie ten Boone
