“ I just found out about Alice. I am in total shock. This is for her.. Alice, I knew you all through Beave school. You were always a very heartfilled soul. You would go out of your way for anyone. I lost contact you in 1980 and went on with my life. I remember all the fun we had in grammer school. I am so sorry I lost contact..maybe I could have been a better friend. Life keeps us so busy, raising our children, working etc that we do not take the time to just hug one another and say we are here for you. May you find peace in the arms of the lord and I bet you are with y our mom and dad, sister and your niece that passed aways so long ago. Alice if you see my children Rebekah,Noah,zacharia, give them a hug..for me...Alice, I may have lost contact over the years...but i pray I will see you in the Morning.... your friend from Bever Ele school..eric blankenship Jimmy if you read this please email me or write to me.. eric blankenship po box 26 greenback tn 37742##imported-begin##Eric Blankenship##imported-end##

“ I worked with Alice at Bills Sills Sportswears we were both inspectors. She was a fun and loving person to be around. She worked hard and was a good friend. She picked me up and took me home at times when I was without a vehicle at the time. After she quit working she still got with me and assisted me in getting to work even though she was no longer working there. You don't run across people like Alice everyday. She will be missed and thought of often.###imported-begin##Marcelle Collins###imported-end##

“ I worked with Alice several years ago at Bill Sills Sportswear I was her supervisor for several months and also her friend. I lost contact after she left but she left an impression with me that often made me think of her and wonder if she was doing good. She was a kind lady with a huge heart and I am saddened by the news of her death. I pray for her family##imported-begin##Charlotte Howard##imported-end##
