“ Clay and Clara and family
I loved granny so much, I saw her last on Halloween and she was so full of joy. I got me one last hug and for that I am grateful. She is now in a place of rest. A place she prepared for all her life. She made it! She has blazed a trail that we all must follow if we are to see her again.No more rocky path for her, now its streets of gold.###imported-begin###Rhoda Jean Barr###imported-end###

“ Gary my heart is heavy for you during this time of grief. Your mother was a great and inspirational lady. She worked hard and lived life for Christ in everything she did. I know that you will greatly miss her but look to the future that she talked and dreamed about. Tell Clara and the kids I love them greatly.##imported-begin##Louise Burkhead##imported-end##
