“ I am so sorry. Other than class reunions, I have not spent time with Anita since childhood. We went to school together all 12 years. Anita was a sweet and caring person . I know her family will miss her terribly. I will have you all in my prayers.

“ I’m so sad to hear about the passing of my beloved classmate. We didn’t see each other after graduation for 47 years! We reconnected at a class reunion. She was at our 50th and our 55th reunion last October. She will surely be missed. Love and blessings to her family. I’m currently out of town so I wont be able to attend her service.
