“ *I am so very saddened by the loss of Anthony. He was one of the sweetest people I have ever had the privilege to know. I worked with him at Helm's in the late 80's and he was an easy going, hard worker who everybody liked to be around and I never heard him say a harsh word to anyone. He will be missed so much by so many! I will keep his family in my prayers during this difficult time. Go with God, Anthony.*

I have worked with Anthony for nearly 30 years. He was such a sweet person. We started about the same time at Helms Motor Company so I think of him as family, the brother I never had because we practically grew up together at work! He will be missed by all of us and sooooo many of our customers who dearly loved him.

My husband Ricky and Anthony worked together for years, he was not just a co-worker but a true friend, they shared lots of laughs along with lots of hard work. In good times and bad Anthony was around to give a helping hand. That is friendship, and one that will be deeply missed. Go to Heaven a Shoutin' Son Your work here is done..

I worked with Anthony at Helm's Motor Company, back in the early 90's. He was a great guy, and a better friend. I am so sorry to hear about his passing. I did not know that he had been ill. So very sorry for his family's loss. He will be missed.
