“ We will always remember Paya with a smile on his face and a funny story to tell! Back when cows were on the property he, Nan, Tiny, Zach, Melanie, Andrew & Trixie would ride 4-wheelers and mule around to check on and keep track of their heard ~ since our properties join there would be many times we'd see them out and enjoy a neighborly conversation "over the fence".... laughs were plentiful as you'd just never know what Paya would have in store to share with you :)
