“ I met Barbara Ruth when we first moved to TN in the 70s. I was not yet in my teens, and age was always so kind and thoughtful to me. Throughout the years I've never known her to say a harsh word about anyone, and she skated a smile on her face when I saw her - even when I knew she didn't feel well. I know she is in a better place and finally with her sweet Stevie. God bless them both. Our prayers for the family and friends she has left behind.

“ Barbara was one of the hardest working people I've ever known. Her job at Wal mart was a difficult, miserable one. She was put in a small room, surrounded by returns, broken items, and bottles of chemicals. She never gave up, just kept her head down and worked. I'll never forget when Stevie sang, " I'm Special" to me. Barbara's smile was so bright. I hope tonight her smile is bright, and her eyes shining as she holds Stevie in her arms. You made a difference in this world Barbara. Miss you forever. God be with your family, giving them peace.
