“ *Indescribable memories of my dear friend and cousin, Barney Ray Beatty, span 71 yrs., beginning the day he was born. Nov. 1, 1942 was a beautiful fall day; Mom and I went to 'visit' her sister, my Aunt Flossie, and her daughter, Betty Jean. Mom gave Betty Jean and me a baked sweet potato with instructions to go outside and play. When asked to come inside, we were surprised, that Betty Jean had a baby brother, and confused when told that he would only live a day or two. Barney overcame the odds and lived 71 yrs. with the rare skin condition, ichthyosis. Although he had numerous, major, physical illnesses and other adversities, he lived a full, productive life. Barney faced life with grace, humor, fortitude and perseverance. His lovely wife, Jean, and son, Raymond, walked the journey with him. Barney is one in ten million--an inspiration to all!*

“Barney, you may be gone but will not be forgotten. I truly enjoyed our talks and hashing out concerns and writing technical requirements together. May you rest in peace and may your family remember the person you were fondly, as I do. A cherished friend met along the road of this life.

“ Jean and Raymond, I'm sorry that you're having to go through this rough time. Jean I know you two leaned on each other over the years for strength. You will still draw from Barney's strength, because he will always be in your heart. I've only seen you a few times in my life. I feel like I know you well. Aunt Flossie was so proud of her family. Sula sends me emails. May God's comfort and peace be upon you now.

*Jean, you and Raymond are in our thoughts and prayers. I know this is a very, very difficult time for you both. I don't need to tell you that Barney was a remarkable man and will be sorely missed by many. Because God made him 'special' Barney has touched the lives of countless people throughout his lifetime. Against all odds, he lived an exemplary life and enjoyed life to the fullest ~ even when it was tough. He loved the Lord and allowed Him to work in and through his life. Because of his perseverance, and with the continued encouragement of his sweet Mother, he defied all odds and became very-very accomplished and successful in multiple fields. He was a true friend to many ~ and I was privileged to be one of his first-cousins. You brought the sunshine of love into his life a number of years ago, for which I am eternally grateful. Then came Raymond to complete your family and it was easy to see the love you all shared ~ and the happiness and 'just plain fun' all of you experienced together. May God bless you and Raymond as you move on with your lives ~ knowing that Barney's spirit will be continually with you. We will all miss Barney and will forever be thankful that we had him for 71 years. May the Peace that passes understanding remain continually in your heart. We love you.*
