“ *Hello Barry, So sorry to hear you are no longer with us. Our loss.. I'm sorry we did not have more opportunity to meet in the last several years as I would have liked to spend more time together. I can tell you Mike and I had a lot of respect for you and the kindness you always showed. Also very sorry we never had the opportunity to meet your family and we do want to extend our sincerest condolences to them. We lose touch over the years and not all cousins remain in one's fonder memories but I can truly say you did. Our deepest thoughts are with you. Jerry and Mike Townsend*

“ I remember meeting Barry many years ago. I grew up around Terry and her family and knew him from that but then he and my dad use to play softball together. Later on, he and Terry became our next door neighbors. Before long, they weren't just neighbors any more, they were family. Barry became like a big brother to me. Our children grew up together and Barry was always there if we ever needed him. Barry was someone people could count on as well as someone that could make you smile even when you were having a bad day. He loved his family so much. He was always talking about how much he and Terry loved being around his kids and grandkids. My heart breaks for the family and friends that he has left behind. I know a part of my life will be empty without him in it. I'm sure him and my dad are having a big time catching up with each other in Heaven. Barry was so good to check on my parents before they passed away. Barry, I love you and you will be missed but I'll see you again. To the family, if there's anything I can do, please let me know. I love you all so much.

I'll miss you bro. We had a lot of good memories in our time and I'll cherish them always. Thanks for being the brother I never had. I find it hard to write how I feel but I think you know we were both there for each other through good times and bad. Guess I'll have to give up drinking coffee...some will understand. love ya man.

So sorry for your loss! I came to admire Barry a great deal; He was a fine Christian individual. He was always so diligent about his work. When we called, he would respond promptly and was always so considerate. Jerry and I appreciated him so much. I know this will be a big adjustment as I lost Jerry four years ago, but the Lord will provide and family and friends will be a big support. Would be glad to help in any way.
