*“ We will truly miss Betty's sweet and caring ways! She always had a smile on her face and she always let us know she was concerned and praying for us. That has meant so much to us especially over the past year with Bobby's illness. She has been a dear friend of ours for so many years and we will truly miss her! We are praying for all her love ones she has left behind for God's peace and comfort thru the days ahead!

Praying for the family. I went to high school with Betty & she was such a nice person. Just saw her at our reunion a couple of weeks ago. Life is so fragile...just remember to hold on to God's hand during this storm in your life and He will get you through.

“ *Sami Jo, Jennifer, just know that if you need anything I am here!!!! Just know that God has a gained a wonderful smiling angel.... All we can do is make her the promise we will see her again... That's the promise that will help you get through this... Momma won't grieve over things in life anymore and no pain and no more troubles... God has made us that promise. The days to come will be hard no one said it would be easy but just always turn to God he is the God of all comfort. Just know that she loved you nobody has to tell you that. Even when I worked with her she always talked about you two... It's hard to accept but no that it is all for a reason and never question it. I have faith and been around y'all long enough that I know nanny is grieving wondering what she is gonna do but I know you two will step up and take care of nanny. I love you both and your family... Hang in their.*

“ *I worked with Betty at Johnson Control's, she was a wonderful person, that I was proud to call my friend. After we left JCI I would see her from time to time at the BP before she went to Delta Faucet. i was just thinking about her the other day, I'm so sad that I won't be able to see that sweet smile anymore. She will be missed and always remembered with fond memories.*
