“ So sorry to hear of Ms. Betty passing. I always smile when I think of all the time I spent at her house as a kid. Carol and I wore her and my Mom out talking us to girl scouts and back and forth between our house and theirs. The pictures reminded me how much she loved holding those babies! I know she will be greatly missed. ❤️🙏

“ There are no words that I can say to make this a more easier day.

We're thankful that the pain has passed, but morn a future of an empty glass.

A void is now where life had been. Freedom of time we don't know where to spend.

Pictures remind us of great times in the past. Your future well lived will make her love last.

This is not goodbye she is ever near. She lives on in ever tear.
