Tribute Wall

“ I am so sorry that I did not know until after your Mom was buried that she had passed away. I have spent the past few days with my Mom as she quietly left this world for her Heavenly home. My thoughts and prayers are with you and I know that God will keep His loving arms around you, comforting you! Isn't it wonderful that we have eternity to look forward to and know that we will see our loved ones again!##imported-begin##Jennifer (Jenny Choate) Phillips##imported-end##

“ I was so sorry to hear about your Mother. There is nothing so precious as the woman who brings you into the world and nurtures and raises you to adulthood. May God richly bless each and every one of you as you go through the next few days.##imported-begin##Jennifer Choate Phillips##imported-end##
