“ Nanny,
Sunday we had the family reunion. The 1st one without you. I missed you so much. Seeing your twin sister just about killed me. I could barely stay there. I went to visit your grave. I cannot believe you are gone! I love you!##imported-begin##Bridget##imported-end##

“ Nanny, I miss you go much. I knew you hadn't been feeling well for sometime,I just wished that I would have spnet more time with you over the last few years. The last time I visited you in the hospital, I cried on the way home, cause you looked so weak. I think about you daily. You were more than just my Nanny you were my best friend. You went with me to yard sales, to Jackson, to the lake, out to eat, and shopping, so not I miss asking you to do those things. I love and missed you so much!##imported-begin##Patricia Western##imported-end##
