“ *Oh how heartbreaking. We loved Beverly so much. She was my mother's long-time good friend and ours as well. She was so good to my mom and to us when "Hobbie" was so sick. My daughter backed into her brand-new car may years and she didn't even blink. "We'll just get it fixed", she said. :) My thoughts and prayers are with you.*

“ *I only got to know Bev the last few years but felt like I had known her forever. We could sit on a golf cart and talk for hours. We had health issues in common, hers much more serious than mine, but she always lifted my spirits and made me feel better. She made me want to do the same for others. I'll sure miss her big smile. Prayers for you Paul and the family. We love you, Vickie Barker*
