“ I will never forget the day Billy was outside playing in the yard with his dog Blackjack and in just a matter of minutes he was gone both dog and boy. he was just a little thing around 2yrs. old, i yelled and yelled for him,but no answer. so i called Don at work,told him what had happened so he hurried home,we got the neighbors together and the police helicopter,all out looking for Billy.well he was finally found,sitting on the front porch of a neighbors house about 2 blocks or so away. he had 1 shoe on and 1 shoe off, blue jeans soaked at the bottom. so the lady handed him to me and she said thats a good dog you have Their he was sitting rt. in front of your Son and he was very protective of him.so anyways i asked Billy where did you go? and he calmly said,well Momma i just went hunting with Black Jack.....

*He was like part of the family when they were all in school growing up. Him and Joel remained good friends years later. It is such a tragic loss to all those that were close to Billy. I am so sorry for all of his family. May God be with you all with comforting arms and peace. He will live on through his son and each of our hearts. God Bless each one!*
