“ *Our sincere condolences to Robin, Brent, Deb and the entire family. I remember back in 1977, Bobby helped me get a summer job in Lexington at Gould manufacturing. I got on the 3pm to 11pm shift. Bobby was also working there at the time. Fond memories of the family at Aunt Nell’s house.*

“ Bobby was one week to the day younger than me. We played baseball together in the league back in the late 1950's. He was a fantastic baseball player. When we would see each other, our memories would go back to those times. Haven't seen him in a long time but remember him well, Shirley and I send our condolences and prayers to all family members.
