Private family graveside services are scheduled for Wednesday at Oak Grove Baptist Cemetery. Visitation will be on Tuesday from 4-8 pm at Pafford Funeral Home. Visitation will be limited to 10 people at a time. In response to public health concerns regarding the number of people in social gatherings, direction is included in Executive Order No. 17 issued on Sunday, March 22, 2020 by Governor Bill Lee. To limit the spread of COVID-19 so that normal life and activities may resume as soon as possible, the Governor ordered that persons in the State of Tennessee shall not participate in social gatherings of ten (10) or more people. Those social gatherings include, but are not limited to visitations, funerals, or other memorial events and burial of deceased humans (whether at a funeral establishment, church, cemetery, or other facility). This

order has been extended through April 30, 2020. We respectfully ask that visitors only attend if they are fever and symptom free and we urge all visitors to only stay a brief moment of time and practice social distancing guidelines.

I cried for you before you left us Bobby, I prayed every nite for a long time for GOD to protect you,I felt so helpless and useless prayer was the only thing I had left for you. You are going to be missed beyond measure not only because you were there to help us and help other people but it is your kindness and your laughter and your dedication to helping everyone that knew you your undying promise to Marlan to take care of me when he left us you never failed to help me when I needed you , you were a man of your word' you left a void in each of us that no-one else could ever fill. I have wonderful fun filled memories from over the years like when we first met and the four of us went camping and river rafting on the Guadalupe and our rafts tipped over, and we could always make each other laugh til tears poured down our face, having each other 's shoulder to lean on when we had no-one else to talk to.My heart is broken but at the same time it is comforted by the thought that you are with your best friend and buddy Marlan having a highball and talking shop'.Rest in peace Bobby, I will surely miss you as I am right now.
