“ Ms. Bradford was my 7th grade teacher at Pin Oak School. She taught us so much, and a couple of things that I remember is her love of reading and how she would read books to us outloud in the classroom. I also remember how much she loved her son Ken, and would tell us all about him and what he was doing in his life. Thanks, Ms Bradford, for giving of your life for us "little" kids!###imported-begin##Patricia Stanford###imported-end##

“ Mrs. Bradford was my 7th grade teacher. We always had a devotional every morning. She taught all 6 of my brothers and sisters. It simply amazed me that she always remembered facts about each of us even when she reached later years and she had long retired. She even remembered a specific speech my brother, Johnny had made. She was also never afraid to discipline when it was needed. She was a great mentor and Christian Teacher. Your family is in my thoughts and prayers.###imported-begin##Tony Rogers###imported-end##

“ Uncle Ken, Aunt Linda, Adam, Ashley, & Jonathan:

You are all in my thoughts and prayers. We love you very much. I always enjoyed seeing Mrs. Bradford. I have many memories of going to see Uncle Ken's momma. I'll never forget at my wedding when she told me that besides the day I was baptized, my wedding was one of the most important days of my life. Uncle Ken, thanks for sharing your mom with us.

We love you all!

“ You all are in our thoughts and prayers. I have known your mother for many years. I was also a teacher in Henderson County and taught for 59 years. I recently retired in 2007. Bonnie was such a nice person and I am glad that I was blessed with her friendship. She touched many lives during her career and her memory will live on in the hearts of her students and co-workers, as well as her family. God be with you all.

Love,
