“ Bradley is my brother and I love him dearly. The way he engaged life was and is an inspiration for me and many others to live and not simply be a spectator. If you want to know who Bradley is then sit still and I will fill your ears with volumes that declare his goodness, the love for his family, his compassion for others, and a life fulfilled, I am so glad our paths crossed in this lifetime and I look forward to the next.

My heart stumbles and is grief stricken. Not for Bradley does the pain consume me, but for myself and others who must wait. We wait in a world void of the light God created in Bradley. We wait for a short time until our names are called and once again we are reunited on that beautiful shore. My brother you are in my heart always. It is my hope and prayer that in your slumber God weaves you many beautiful dreams.

*I Love You Brother

“ I spent many hours getting to know Brad. I take great pleasure in calling him a friend and thank the Lord that we got to know each other in the short time that we did. We often shared stories about friends that we had in common, hobbies, but mostly about family. He was a great friend to me and I'll really miss him. Our daughters were close in age and we spent many hours sharing stories of them. My thoughts and prayers go out to his family.

Wanda and June, for 15 years we lived next door to each other and Brad was in and out, and he always felt like one of mine. Many Christmas mornings he was sitting under the tree with all of us and we loved it. Please know that we care and loved him with all our heart. If there is anything we can do please let us know. Our hearts and prayers are with all of you and esp. his daughter, he never stopped talking about her and he was so proud of her.. May God bless all of you in a special way. Love you, Anna
