“ Brittany you will be missed by many, especially your children, family and friends. This has been a shock to many. Your laughter and your way of making people laugh will be missed. Many prayers for your kids and family and that they always know who you were. As you told me once classy, sassy, and a bit of spunk. You called me momma when you saw me and i called you Brit. One day I hope to see you again. God bless your soul and may you now rest. Love you Brit.
