“ Susie I could not imagine losing my father. I remember Brian as the man that was always there for you and your Carlene when you needed him most. Brian did not worry about the little things in life but cared for you like you were the most important people in his life. I hope you know he will always be with you and live through you and the stories you will tell about him. I remember him working so hard to make sure you had everything you needed for the rest of your life. When we were kids I remember playing at your house and waking up to biscuits and graving in the morning. That was some of the best times I can remember having when we were growing up. I will always miss you Brian. Thank you for everything you did for us.##imported-begin##Paul##imported-end##

“ Carlene and SUSIE, Uncle Bryan was one of a kind. what I
remember of him in growing up was always good. Him and
dad(HARLAN) was totaly different. we would talk about the way the
world was, and he would tell me its not the world its the people in it. I
know he has left a mark in a lot of peoples lives. HE will never be
forgotten. HE left his mark on the people in the world. My prayers are
with his family. LOVE JUDY FARLER JENKINS##imported-
