“ Today Callie was put to rest. I could not be there but I wanted to be. I just want to tell the family that my prayers are for you and your family. She loved her family and spent a lifetime being there for them. It is sad that we move away and loose touch over the years...and it takes a death for us to think about what we are missing. There is no love like a mother esp. a mother like Callie. I pray that the Lord gives each of you peace in your heart. prayers to you, larry, gary, lillie, ricky and buddy, and your kids and family....your cousin from knoxville tn. eric

“ Hello,
Callie was a very good person. She was always cheerful and her children were the pride of her life. Although we all worked in a sewing factory, she helped us to believe we are all kings and queens in life. Thank you Callie and rest in peace, we love you. I will forever miss you,
