I miss you so much! The passage of time does not lessen my loss. You meant the world to me and I no longer have an arm wrestling partner. I look at these photos and realize how small a snapshot of your life they represent. I will love you-forever. Donna

“ We were incredibly saddened to learn of the passing of Carolyn... Our memories are of a wonderful woman who always did for others... Her caring and giving spirit will live on for many years to come... in particular, we will always remember fondly the many years that Carolyn opened her home to family (local and out of state) reunions... her yard vibrant with colorful flowers and her home offering warmth to all... Our sympathy and love go out to all of Carolyn's family... She will be dearly missed during our visits "home" to TN.
