“ I remember when I was in first grade at Caywood. We had just moved from the old to the new building. After Mrs. Hall(Cagle) called roll, I would take the lunch money which was in a cigar box to Mrs. Belew in the office. Dr. Belew, I am so sorry for your loss.##imported-begin##Cindy Lewis Bryson##imported-end##

“ *Mrs. Belew was such a wonderful person and everyone has been blessed just by knowing her and calling her "friend" over the years. God sends people like her into our lives for a reason and she has been such an angel to so many children and adults. May God's peace surround you during this difficult time and may you know that many people love you and your sweet wife.*
