“ Thoughts, prayers and alot of love to you Michael. Be strong "Lil Man" and keep the memories tucked away inside your heart. Please know that he loved you more than life itself and you made him proud from the day you were born. I think everybody who knew him was touched in a positive way by his love of life, his kindness and his unending sense of humor. He is now at peace with no more pain. May God give you strength to get through it all. We love you.
