“ So sorry to hear of Christine's passing! I met her through Genealogy Trails and did some transcribing for her on the Michigan site. Although I had never personally met her, we had some great laughs between emails. She will be missed! - Debi H

“ So very sorry to hear of Christine's passing. We found out we were related about 10 years ago or so. It was a pleasure knowing her although the time was too short. Rest In Peace, Christine and God Bless You.

*I met Christine via E-mail through the Kesterson family genealogy. She told me in one of her E-mails that she had been recently in the hospital. I've been watching and reading her site for a few years and I'm sure that our Lord had bigger and better plans for her. "Thanks Christine for all you did for me." ROSS KESTERSON*
