“ *So sorry to hear about Clarence's death. Our sympathy goes out to all the family.
Clarence was one of a kind. He was one of the old school that does not give in or give up no matter what the odds. He was out there working on that bush hog after most others would have given up. Junior and I have many fond memories of our visits with Clarence and Betty. They were always a very hospitable couple - making everyone welcome and feeling at home and always including us in their large family gatherings. Lots of good memories of homemade peach cobbler and hours of card playing at the kitchen table.*
