“ *Mr. Cletus Lee Wade about year ago talked to you at Reagan Cafe. You remember me and my father (James Harwell). It was a great chat that brought back lots of good memories. You live to be a great active age, it was a blessing to talk to you. You were dressed in a suit that day and looked very strong for your age. You had come to Reagan Cafe after church that day to eat. I am so glad that we had that chat. I know you have met up with my Dad and Mom now so rejoice until we all meet again.*
