“ Marsha...have not seen you in forever but I just want to tell you I am so very sorry for the loss of your precious son. I remember well when he was born and I'd babysit from time to time. He was such a happy baby and I know you raised him to be a fine young man. I cannot imagine your loss or the rest of his family but ya'll are in my prayers. God is our only comfort in a time like this..even though we don't understand.##imported-begin##Teresa Meeks Marr##imported-end##

“ *If You Could See Me Now*
If you could see me now you wouldn't shed a tear.
Though you may not understand why I'm no longer there.
Remember my spirit that is the real me because I'm still very
Much alive, I've just been set free, Oh, if you could only see!
I have beheld our Father's face and I've touched my Savior's
Hand. All of Heaven's angels rejoiced as I entered the promised
Land. Beyond the gates of pearl I've walked on the golden streets.
I've touched the walls of jasper and dipped my foot in the
Crystal sea. The beauty is beyond words and nothing could
Compare, I've even seen your mansion and someday
I'll meet you there. Let Jesus be your guide because
His Word will show you the way! So please don't
Cry because we will meet again someday
Hope this comforts each of you in some way. In my
prayers.###imported-begin###Shelia Mc Daniel Cupples###imported-

“ To my cousin, Corey, I can't believe you are gone from this earth so early in your life. I can't help but to remember all the great times we shared together. I think me & you put together had the biggest imaginations of anyone in the world, because nobody could come close to counting all the times we would play pretend. We would play as if we were doctors, teachers, even builders; there was nothing we couldn't do or nobody we couldn't be when we put our heads together. You was the big brother I never had I looked up to you more than you will ever know. All of our heart to heart talks we had was the greatest, at times when I needed someone you always knew what to say. As we continued growing older we went our different ways but, you was still always my big cousin that I looked up to! Every time I would see you, you would have that big smile on your face and your arms open waiting to give me a hug, then of course I knew what was coming next "The Head Lock". I guess it was the big brother thing that came out every time you seen me to make you think you had to put me in a head lock, but that was okay because it would make me smile and laugh something that you made everyone do that you came in contact with. You will forever be in my heart Corey Gene! I love you! *Brooke McDaniel*

“ *Please don't cry
I'm not really gone
When you look out the window
I'll be standing on the lawn*

*Please don't cry
I'll see you again
Don't be sad
Keep up your chin*

*Please don't cry
I'm not really dead
When you cry yourself to sleep
I'll be by your bed*

*Please don't cry
Just because we had to part
As long as you remember me
I'll live in your heart*

*Please don't cry
I'm not gone forever
I'll be a cool and gentle breeze
In hot summer weather*

*Please don't cry
Don't run and hide
When you need a shoulder to lean on
I'll be by your side*

*Please don't cry
When you're sad and weak
I'll be there
To kiss you on the cheek*

Please don't cry

*This is just a goodbye
So please, oh please
do not cry...*

*I will be thinging of you and keep you in my prayers.....

“ *To my dearest, loving Corey,
It is so hard to imagine my life without you in it. I miss the little boy who always wanted to go every where with me and our secret trips to Shoney's. I will miss the teenager with the silly grin and spirited fun & pranks. It is gonna be hard to go on without knowing you are just a phone call away to make me smile. I was the adult & you were the kid & you made me feel better. You have had your share of problems in life but you faced the world with a smile. I thank God that He put you into my life and that you are one of the few people who knew how to love unconditionally. Thank you for loving me and for just being you. You may now be in Jesus arm's but you are forever in my heart. I will see you soon my baby boy. I will always love you, Aunt Tina
To Tim, Sonia, and the rest of my family, you are in my heart & my prayers & I love you.###imported-begin##Tina Cox###imported-end##*
