“ *I know Bro. Curtis is shouting, singing, and praising the Savior that he loved so much - only now with his brand new knees and in his perfect transformed body. As wonderful a time as he is having in Heaven, I know the loss is great for the family, and my prayers go out to you all that the Comforter will help ease your sorrow.*

*I loved Bro. Curtis so much, and I still recall many sermons and talks where he spoke of looking forward to being with his Lord. What a beautiful Christian testimony he has left us with. A wonderful example of a humble servant of the Most High God. And what a blessing comfort to know the redeemed with all be reunited one day.*
