“ *Jeff and Family,*

I have just pulled up the website and seen the obituary. I am so sorry I missed saying good bye. I am so sad to see that Curtis has passed. I stopped by every spring on the way to Alberton's nursery and visited with Curtis. The last time I talked with him was in August. I saw him sitting in his his favorite spot on the carport and stopped to chat.

He seemed a little weak but, was in good spirits of course.

I loved him for many years as a father and many more years as a friend.

He is a very special person and will always be a special person.

Thinking of you always - Bridget.....##imported-begin##Bridget Williams Allkins##imported-end##
