“ • *To The Family of Danny- Some people said that Danny was a good man- I Disagree; Danny was an outstanding man that lived with integrity and ethically as any man I ever have known within his community and work place- He was a coworker with me at Magnetek for many years- As I would go through the shop he would holler at me to come by his work station and we would have a good conversation about our family many times- One day he motioned for me to come and talk with him and I did- He informed me of his health issues and he said he would fight it as long as he could and he did!! I watched Danny as he fraught his health condition- He fraught his issue with tense ambitious of any person I've ever witness-*

• *Here is the bible verse I read this morning before I wrote this; And those the Lord has rescued will return. They will enter Zion with singing; everlasting joy will crown their heads. Gladness and joy will overtake them, and sorrow and sighing will flee away. Isaiah 35:10 NIV*

• *I am sorry that I cannot attend Danny's Funeral due to a Military Assignment out of town- I know the family and the community will miss Danny very much and so will I- "Please let me know if you need anything at all during this difficult time-"*

I will close with a Helen Keller quote; "When it seems that our sorrow is too great to be borne, let us think of the great family of the heavy-hearted into which our grief has given us entrance. And inevitably, we will feel about us their arms, their sympathy and their understanding."
