“ *As my neighbors, Danny and Anita are the best.. More than few times they have come to my rescue, especially in a crisis. By crisis, I mean when Danny killed a big snake trying to come into the house, and the armadillo digging under my back yard fence. There were many other calls for assistance on my part, and both Anita and Danny were quick to help me. All this to say how much I loved and appreciated Danny's kind and gentle ways toward me and others. He was truly a wonderful Christian man, and I was so blessed to know him. RIP Danny* ”
