“ Dear Peggy & Kim, Words will never express my love and appreciation for Danny's impact on my life. Both of you were so gracious during the funeral. Kim your words were perfect. They were so compassioned how much you shared and knew you dad. I celebrate the wonderful memories.

I will cherish my memories of Danny helping me in my career and going to games together.

I loved him. You are in my thoughts and prayers. Thank you for inviting me to share in your family prayer. I am honored.

The words expressed and message in service were such a reflection of a loving man that knew his lord and savior and relished his grand daughter and had clarity to savor every moment with his family these recent years. Your such beautiful people.

Gods Blessing upon you.

Jane Ann could not be there, she was in Michigan with Carter and Clay. She really would have loved seeing so many people there in respect for Danny and loving you his beautiful family.

Gods love and comfort is upon you,

Kevin Lineberry

“ Peggy,

Please know that you and your family are in my thoughts and prayers. Danny's thoughtfulness was evident when Franklin-Wilkins closed and daddy moved "Charlie" to the new airport. Danny made daddy feel needed when he asked for advice on various things. Danny will be missed by his many friends of all ages.
