“ I did not know David, nor have I ever met him but have texted and talk to him on the phone several times. I believe he was a really good and caring person...planned on meeting him when I could, And the father of my nephew (again, who I've never met yet nor did our family know of them till his son's late teens - with me battling cancer last 3 years has been a huge deterrent) I know he loved his son tho and step-daughter and we talked and shared many of his good memories. I'm thankful for his good and loving care for my nephew and sooo look forward to meeting Keagan. My deepest condolences to his friends and family and wish I would have met him, through reading all his posts, he sounds like an amazing person and friend.. RIP David Allen, wish we could have met...
