“ *Mr. Jordan was one of the people that helped raise me in Grundy. He was my Little League Baseball coach and encouraged me in many ways. He had a great sense of humor. Sad to hear of his passing.*

“ Sorry to hear of Mr. Jordon passing. Davie was a good friend and a very good radio engineer that I had the pleasure to work with at WNRG AM and WMJD FM here in Grundy. I all ways looked forward to see him when he came to Grundy from Jackson. Spence a lot of time working with him and talking with him. He gave me my first job after I was discharged from the US Navy in 1969. He was a community man well liked when he lived here in Grundy and when he came to Grundy to check on the radios after moving to Jackson. Best wishes and prays from me Gary Street and my wife Patty Street to his family and RIP Mr. Jordon.
