“ I've honestly never met anyone like Debbie.. she was a one of a kind! She walked into my life three years ago.. and has been through hell and high water with me at DQ. Ill never be able to forget any of the life stories she loved to share with me while on break in the back. Actually as much as she always said she hated people.. loved to talk just a about as much as everyone else. Her memories of her past years.. whether they were tragic, funny, or just down right stupid she couldn't wait to tell someone as soon as the opportunity came up! Debbie was definitely a Fire Cracker.. she didn't and wouldn't let anyone walk on her, and be damned if someone tried! Every morning when I walked into work she would always be the first to say goodmorning.. if it was even said that day.. I could always count on her to update me on any news that was going on in the world.. (she always knew that I didn't watch tv) Im going to miss you something terrible Debbie, morning shift will never be the same.. you will ALWAYS hold a place in my heart.. As to her family & other friends I have also reserved a place for you in my prayers. She really was an amazing women. You may be gone, but you'll never be forgotten. I love you Ms. Debbie.
