*Cousin Debbie and I were close as children. I lived about 1 mile from her. She, her brother and I played together during summer months and we went to the same schools for elementary and high school. After graduating high school, I effectively moved away and was only back for short visits. I missed seeing her and thought of her often. Debbie, I miss you.*

“ *I consider Debbie my real sister and I love her from the bottom of my heart. We have shared so many memories for our whole lives, and she will always be in my heart!! My thoughts and prayers will be with all of you and I will miss her sweet smile and her many stories of fun and trouble that we got into. Bless all of you and know that she will always be around you watching over you, and in your heart. I will keep you in my prayers in the days to come. Heaven has an angel of love now.*

*Love all of you!*

“ Kelli, your mom was a precious friend of mine! We met in High School and I was her Junior editor of the annual! We spent many many nights working on the annual , laughing and acting silly and making memories that having dimmed with time! She's the one who "introduced " me to bologna and slaw sandwiches eaten at midnight! I loved her then and I love her now! Go , Rest In Peace , and fly high my friend!!!
