“ To the Pocius family. What can I say but I'm am very sorry for your loss. When I got the call the other day it just brought back many memories of fun times we had. I pulled out my photo album and sat there and looked at the pic's I had of all of you. We did have many good times out here in Chicago. My thoughts and prayer's are and will alway's be with all of you. One thing to remember is that the first year is alway's the hardest. But everyday that does go by will get easier and easier.###imported-begin###Dean J. Vargas###imported-end##
