“ *John,*

I am so sorry to hear about your Dad. I know that he has been suffering for a long time now. It is never easy to lose someone who has love and raised you from an infant, but to know they are in the presence of our Heavenly Father and no longer suffer is a great relief. My prayers are with you and all your family. Your Dad was such a loving wonderful man, and over the years when I would ask about you, he spoke of you with such love and pride! Doc was a jewel in this world and a very respected man in this community.

You have always been my "big brother" in my heart even though the years and miles have separated us.....you still are that "big brother" to me today! I love you now and have always.

“ Dear Weatherly Family, Thinking of Mr. Weatherly brings back so many memories. I lived in Lexington all of my growing up years and knew Mr. Doc all my life. He was a dear friend to my parents, Joe and Josie Leslie. He was always so kind and helpful to Daddy after his health began to fail. I always think of him as such a southern gentleman. My brother Albert Leslie is the same age as David. He will be in touch with you also. God be with youall, Nancy O'Brien##imported-begin##Nancy Leslie O'Brien##imported-end##
