“ I got to know Jack through his brother Larry (one of my old golf buddies). I remember about 40 years ago, I called Jack about a problem I had with the electrical breaker box in our house in Jackson. I found him to be very methodical, professional, and to the point kind of guy. Jack was a very soft-spoken and kind individual. Several times over the years we would see each other at the golf course and play a few holes together. Those were good times! Rest in peace Jack!

“ *Being 2 years older than Jack and Jerry, I grew up with them and their younger brother Larry (ToJo). We rode the bus to Juno School and played baseball together. Simply put, I never knew finer people than the 3 boys and their parents. All were good athletes and had great parents who supported them. My prayers to all of the families.*

*I met Jack years ago at Hidden Valley golf course. We played a lot of golf together, then we went to Bent Tree golf course and played even more. He was the nicest man you would ever hope for, loved his family and would do anything to help anyone. Jack will be missed by so many people. My sincere sympathy to the Manley family.*
