“ I grew up in the same neighborhood with several of the Hoffmann families. His Hoffmann grandparents lived across the street, Uncle Dutch & Aunt Dolly, and family, Ron, Vic, Gary, & Jean, next door. I only really remember Terri & Don. But also remember how pretty their Mother was & that their Dad had red hair. Sending prayers to the family!

“ So sorry to hear. Donn and I go back to grade school, Sacred Heart Seminary and Algoma class of 68. He introduced me to the photographic darkroom at Sacred Heart which lead me to a 48 year career as a professional photographer and imaging lab technician. We each went our own ways after high school and recently reconnected the last 10 or more years via Facebook and recently met half way between Tenn and Ind to catch up. I hadn't heard from him in the last 2 weeks and wondered. I guess one never knows what is in store for us. RIP. Dan Stoller

“ I worked with Donn at the Piggly Wiggly when we were both in High School. We had fun times, he was such a nice guy but always had that twinkle in his eye.

Don and I became very good friends when he came to Illinois and opened a Studio and became a Photographer. He could capture awesome pictures. We bowled together and had many fun nights. Linda was going to nursing school and became an RN. Then they moved across the street from us when Tanya and Nicki were very young. So many fun nights and memories I can write about all of them. Awesome fun guy!! RIP Donn. Will never forget the Good Times.
