Bonita & family

I was so surprised to see Ms. Dorothy in the obits. Ms. Dorothy always made time for me to cut my hair even when I didn't have an appointment she would always work me in; she was such a special person. Do pray you & family are doing fine. Asking the Lord to give you grace and strength and carry you through this time. I also have so many fond memories of you & me also ... remembering> when we were so involved with Tupperware... :-) Blessings to you and yours

“ *Bonita,
I was so sorry to hear of your mom's death. I have many good memories of spending the night at your house and how sweet your mom was. I have seen her a few times over the years at church singings. She really seemed to enjoy those.
May God comfort you and your family.
