“ To Sharon and Matt,

I am so sorry to hear about your Mom and grandmother. I learned about her passing late yesterday so that is why I didn't make it to the funeral home or services. Please know that you and the rest of the family are in my thoughts and prayers. I'm so glad that you had these past few years to be there for her, Sharon. I know that meant a lot to you. Although my meetings with her were brief, I know she loved you both very much. Her eyes would just light up when talking about y'all. She was truly a wonderful lady that loved her family and the Lord. I'm sure she is already starting on a gardening patch up there in Heaven!

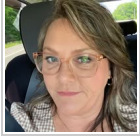

Please know that I am here if you need anything.

Love you both!!!

“ To the entire family our family really thought a
lot of your Mom. I am so glad Mom & I went to
see her new cabinets. We really enjoyed
visiting with Sharon, Charlyn and Ms Dorothy.
I think she really enjoyed that day too. This is
a said time of the year to lose a loved one but just know she will feel
no more pain. She was truly a good mother & you kids were so
good to her. We will keep you in our prayers.

Charlynn I am so sorry for the loss of your mother. Mine and Hollis's
thoughts and prayers are with you and your family. My friend if you
need anything at all just let me know. Remember "Earth holds no

“ *God has a special angel in His Kingdom. Ms. Dorothy loved gardening and sharing her green beans with me and I enjoyed them very much. I'm so glad I went to see her to share my hominy casserole and to say I love you one more time. She's reunited with her husband and other loved ones that have been waiting. Love you Ms. Dorothy*

Thanks for sharing this! She was my Meemaw and I will have to say her green beans are to this day hard to beat! I can only imagine the reunion that took place with Meemaw and Paapaw.
