“ i have known mr. earl for a number of years i am a nurse and he went to dr striplings where i worked until dr. stripling retired. he and mr jesse were always together at that time, after that i saw him at another office i worked for in town then i started working in jackson and havent seen him in a long time, i was very saddened when i heard of mr jesses' passing for i knew he would be lonely as close as they were. mr earl was a very sweet and kind man as was mr jesse. i hope that they are up in heaven now looking down with the rest of the family and he is now sick no more and has mr jesse at his side one more. he and his family are in my prayers for they have lost a beautiful loving, kind soul and he will be missed.##imported-begin##tammi roberts##imported-end##
