“ *I think Betty Jo and Edward were close to my parents, Willie Hugh and Lillian Tillman, when they were all young. I remember hearing their names mentioned a lot while growing up. The times past are gone but the memories are so sweet. May God comfort you all.*

“ Red was loved at Copen Associates by everyone. I worked with him many years ago and he was an amazing man. My father is Robert Jones who ran Copen and he thought the world of Red. We lost Daddy a few years ago so I understand your loss. Prayers for his family during this time. ❤️
