“ Lulu was one of my closest friends during high school. I have fond memories of going to her house, cruising the streets in Lexington, going to FBC together on youth trips and singing in the choir. Even though I hadn't seen her in years, I often thought about all the fun and wonderful times we had growing up together. Mr. Truman was so nice to "haul" us around after school and to events and Mrs. Doris was always a sweetheart when I spent the night. Nancy, I remember you too and my heart goes out to you.

*My heart is heavy this morning as I found out about Ella's (Lulu) passing. We knew each other from our teenage years but really talked more during the last few years at the library. She was absolutely crazy about her grandchildren. I pray for the whole family during this time...but especially for the grandchildren. Sending much love and prayers to John and his family.*

Ella (Lulu as I remember her) was a wonderful classmate and one of my favorite people in High School. I loved her beautiful smile and her ability to light up a room with her love of music.

The memorial service was beautiful and Dr. Wilson summed it up perfectly when he reflected on all the families that Ella had a special part in. I can never thank her and Ms Doris enough for their help with Trent, Brian and Allison. Ella and I spoke often about what a great father John is to Carter, Emma and Sadie. She was so proud of him and her babies. She would be especially proud of Anna for her beautiful singing yesterday. What an amazing voice she has. Amazing Grace - God blessed us all with Ella's laughter, gentle spirit and her giving heart!
