“ *To all the McKee family*

I am so sorry for your loss, this loss I share as Dude was a big part of my life as well. I will miss him as well. Dude was so much help to my mother after my Dad was called home; I can never express my gratitude to him.

With all my heart, you all are special, and I can tell you, you will always miss him, everyday of your life, as time goes on, time has a way of filtering out the bad times and sorrow. I promise the hurt you now feel will go away, you will be left of the memories that make life special.

With all my affection
